20	Attendance	KG2	Grade
3	Absence	Fatma Ali	Teacher
- To improve students' reading skills. - To help students recognize and read word families (-ug words). - To develop listening and comprehension skills. - To encourage creativity through drawing.			Objectives
Students listened to the story "Bug in a Jug" on the Starfall website. After listening, they read the story together as a class. We discussed the events of the story and identified the main characters. The teacher focused on the "-ug" word family (such as bug, jug, mug) to make reading easier for students. At the end of the activity, students drew their favorite scene or character from the story.			Description
The activity helped students improve their reading and pronunciation skills. They became more confident in recognizing word families. Students were engaged and enjoyed the discussion and drawing part, which enhanced their understanding and creativity			Impact of the Activity on Students
